

The Limitless Possibilities of Pouching

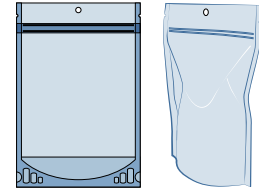

Flexible. Versatile. Remarkable.

If you're looking for a pouch packaging partner who can provide you the solution you're looking for, all in one place, look no further than Sonoco. Sonoco's premade pouches are available with Flexographic or Rotogravure printing, in multi-material or recyclable, mono-material structures.

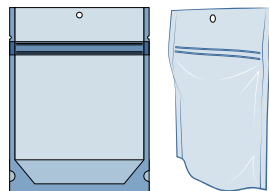

Stand-Up Pouch (Plow-bottom)

- No bottom seal - sits flush on fold
- Ideal for heavier content

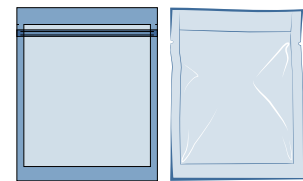

Doyen-Style Pouch

- Rounded bottom/U-shaped gusset
- Ideal for content < 1 lb.

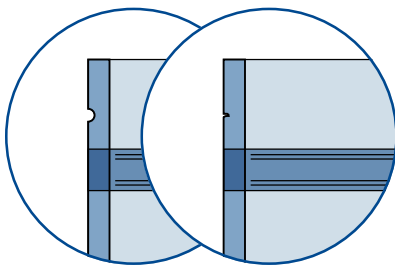

K-Style with Skirt Seal

- Angled corners and seal along bottom
- Ideal for content 1 lbs. <-> 5 lbs.

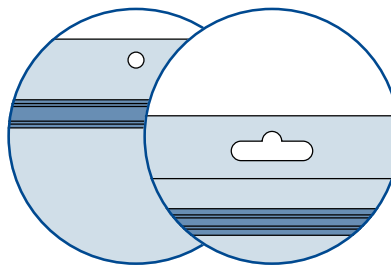

3-Side Sealed Pouch

- 3 sides sealed
- No gussets
- Ideal for hanging
- Ideal for lighter content

Tear Notch or Slit

- Aids in opening of pouch
- Position can vary above zipper

Hang / Peg Hole

- Most common with 2 side seal pouches
- Enables pouch to be placed on hanger or hook at point of sale

Zipper

- Press to Close, "Zip-Loc" type closure
- 10mm Flange
- Single Track
