

Endwall Packaging System

Sonoco's Endwall Packaging System delivers high performance protection for valuable film products. Safe, secure and contaminant free, this sophisticated system safeguards film throughout distribution and storage.

Safe, secure stacking

Four-sided interlock design lets you stack multiple rolls on one pallet.

Multiple sizes

Endwalls range from approximately 12 to 40 inches and accommodate 3, 6 and 10-inch cores.

Benefits

- Sized to accommodate a wide range of roll diameters
- End walls for 3, 6 and 10 inch ID cores
- Patented design featuring interlocking pads for secure stacking and shipping
- Durable polystyrene construction resists damage
- Clean room friendly
- Easy to assemble
- Stacks for indoor/outdoor storage
- Suitable for other products wound on cores
- Reusable
- Recyclable

Endwall Packaging System

Dimensional information

Sonoco item number	Maximum roll OD in inches	Hub diameter in inches	Part dimension in inches	Color
--------------------	---------------------------	------------------------	--------------------------	-------

Lightweight endwalls

F125-1031	26.77	3.004	27.56x27.56	Black

Simple to store

Endwalls nest neatly and securely when not in use. If stored outside, simply rinse with water and reuse.

Products listed below do not have a molded-on hub. Parts have a hole in the center. A hub is created by inserting a separate plug to either fit the core ID or the endwall has a hole large enough to accommodate overhanging core OD.

Sonoco item number	Maximum roll OD in inches	Hole diameter in inches	Part dimension in inches	Color	Special features
F125-0027	26.77	5.965	27.56x27.56	Black	Cross banding, requires plug, hole in center
F125-0035	26.77	7.087	27.56x27.56	Black	Cross banding, large hole in center (for core OD)
F125-0034	26.77	8.031	27.56x27.56	Black	Cross banding, large hole in center (for core OD)
F125-0025	31.50	5.945	31.5x33.860	Black	Cross banding, requires plug, hole in center
F125-0036	31.50	7.087	31.5x33.860	Black	Cross banding, large hole in center (for core OD)
F125-0026	33.40	5.945	33.86x34.65	Black	Cross banding, requires plug, hole in center
F125-0038	39.37	5.945	39.37x39.37	Black	Cross banding, requires plug, hole in center
